Tyler Davis

Fiction Writer

Tylerjdavis.96@gmail.com
Rochester NY

Rochester Institute of Technology

Degree: BS in Applied Arts and Sciences

Focuses in Physics, Computer Science, Software Engineering

Minors: Creative Writing, Digital Literature

Work Experience

Building Sub, Student Enrichment, Writing Club instructor

Discovery Charter School

Oct 2021 – Present – Rochester, NY

Teach or TA in classes with missing staff. K-6, art, music.
Pull students either academically low or high with difficult home lives and work on project based academic work to make school feel less adversarial.
Led 1st-6th graders through series of creative writing challenges with the aim of finishing a story.

Editing Experience

Short Story Editor

Freelance

May 2023 – Present

Helped clients with the flow and pacing of their stories as well as getting across their intended themes. Proofread and edited stories for clarity, and grammar. Worked through multiple drafts to develop and refine character and narrative voice.

International Electronic Literature Conference

Co-Presenter

Collaborative Worldbuilding for Writing and Worldbuilding

July 2017 – Porto, Portugal, University of Fernando Pessoa

With Dr. Trent Hergenrader, I helped present his book Collaborative Worldbuilding for Writers and Gamers.

Workshop Host

Collaborative Worldbuilding Card Deck

July 2017 – Porto, Portugal, University of Fernando Pessoa

Guided a group of conference participants through the collaborative worldbuilding process using a deck of worldbuilding cards.
